

Psychiatrist

	If you have a mental health problem we will see you to find out what is wrong, we might write to your Doctor
	Work with the other people in the Community Team
	You, your Doctor or the Community Team can ask us to see you
	If you have angry and risky behaviour we will help you
	Work with Community Nurses in epilepsy clinics
	Prescribe medication for epilepsy or mental health problems
	Support some people who go to psychiatric hospitals, like Rydon or Rowan
	Teach people about mental health issues
	Teach young Doctors about how to work with people with a learning disability
