## Welcome to the Somerset Partnership NHS Foundation Trust

Please explore this site to discover information about the wide range of high quality mental health and learning disability services provided by the Trust for people of all ages.

### Trust News

#### Support for Families and Carers - [learn more](#)

The Trust is proud of its support for families and carers. Come and hear staff talk about their work at The Bridge, Wells on 25 November at 6.30 pm.

#### Employment Support Service - Centre of Excellence

The Trust is one of the nine new Centres of Excellence in supporting people who use mental health services into employment announced by the Sainsbury Centre on 9 November 2009.
